

LET THE CHAMBER BE PART OF YOUR GRAND OPENING  
(OR RE-GRAND OPENING!!!)

The Royal Oak Chamber of Commerce offers a **Ribbon Cutting Service** to area businesses. This service is FREE and available only to Chamber members. As soon as you set the date, let the Chamber Office know.

Here is what we provide:

- A set of mailing labels for Chamber members and local elected officials that you can use to mail your invitations.
- The “Checklist for a Successful Ribbon Cutting” which will guide you through scheduling the event, sending announcements, and setting up for the big day.
- If given enough notice, we will promote your event in the following ways:
  - on the monthly Chamber e-newsletter, emailed to all Chamber members and friends of the Chamber
  - in the weekly Chamber Monday Morning Memo
  - in the Chamber Newsletter mailed bi-monthly to over 650 Royal Oak Chamber businesses
- We will contact the local newspapers in hopes that they will provide coverage for their paper. If they don't attend, we'll take photographs and send them to the paper.
- Representative(s) of the Royal Oak Chamber will be present at your opening to help cut your ribbon with our 3' ceremonial scissors.
